"is the nearest approach to God,

of which we are capable in this life."*

## **Our Speaker**

Charlie & Paula Orr have been involved in various ministries across the country for over 26 years. In 2003, they launched Crosspurpose International, a non-profit, faith supported ministry.

A native of South Carolina, Charlie grew up in a stable, loving home. He was successful in athletics as a high school student and attended college on an athletic scholarship. After college and following several years of destructive involvement in the drug/counter culture of the 70's, he realized he desperately needed a change in his life. After many attempts to find the answer, he accepted Christ at the age of 25.

### **Education**

He yielded to God's call to preach. Two and a half years later, in 1978, Charlie attended Southwestern Baptist Theological Seminary and then, Liberty Baptist Theological Seminary. He graduated with a Master of Divinity degree in 1983.

Since that time, he has served in various staff positions in 7 different churches in 5 states. He has served in three senior pastorates that has uniquely equipped him with 16+ years pastoral experience, the last of which was for almost 9 years. Outside of pastoral ministry, Charlie has preached hundreds of revival meetings and evangelistic crusades in the USA, Europe, Africa and Canada.
