

CROSSPURPOSE INTERNATIONAL UPDATE

July 31, 2004

Volume 1, Issue 5

LAUNCH OUT INTO THE DEEP!

We covet your prayers as we continue to "launch out into the deep" in regards to ministry and family! The work on the donated trailer that serves as Crosspurpose International's separate office space has been completed. Office equipment is being added as the Lord provides. This makes it possible to function more easily as a ministry in areas such as correspondence, filling mail and online ministry product orders and development of new areas.

We continue work on renovation of the 5th wheel RV in order to accommodate Paula's chronic health needs and to provide a temporary home until such time that God provides a 'safe' house that will stabilize her health and allow

her to function more freely in ministry with Charlie.

Our family expands as we welcome Amy, Joel's wife! They were married on July 17th at First Baptist Church in Perry, GA. We appreciate your prayers for them as they begin this new journey in life.

Anna is finishing up summer school and will be heading off to her second year of college this fall. We ask that your prayers continue for her as well.

As always, we ask you to pray often for our family and ministry during all these transitions and changes in our lives. With God, nothing is impossible if Jesus is there....even sailing in deep waters! ☩

MINISTRY HIGHLIGHT: CANAL LAKE BIBLE CAMP

Shac and Charlie

It was a blessing to be invited to speak as the Student Evangelist at Canal Lake Bible Camp

sponsored by House Of Prayer Church in Blairsville, Georgia. Senior Pastor, Jerry Helton has been an encouraging brother in the Lord as well as one of the staff pastors, Bill Schakat, whom I have watched grow to spiritual maturity over the years and now serves as Youth Pastor to a lively group of students.

camp, Bill says:

It was a great privilege to have you with us last week at our teen camp at CLBC. The entire week was blessed of God. For months I had been praying for 70 teens to attend this week of camp. God did "exceedingly abundantly above all that we ask or think" (Eph. 3:20). God brought 84 teens! In God's gracious providence He brought you to minister to them.

God also used you to minister to me personally 12 years ago during meetings at the House of Prayer Church in Blairsville.

Your sermon based on Luke 5 entitled, "Launch out into the Deep", ministered to me that night. God changed my rebellious heart and called me (con't next pg.)

Bill or "Shac" as he is affectionately called, has a heart to see young people's lives changed and it was a special joy to minister with him. After the July

New Sermon Offer! Launch Out Into The Deep

As a featured speaker, Charlie preached this message at the Flames of Freedom Rally in Hillsdale, Michigan in 1990 sponsored by the Canadian Revival Fellowship. **Launch Out Into the Deep** is an expository message that has been a source of challenge to many over the years to walk by faith into the unknown territories which God calls us. This message will stir your heart to faith in God who can do the 'impossible'!

MINISTRY HIGHLIGHT CONT'D

into pastoral ministry. I can honestly say my life has never been the same since that night.

I have seen God use your ministry mightily over the years as you have been faithful to preach the Word and I was excited to entrust you to our teens. I'm happy to report that four teens received Jesus as their personal Savior and Lord. After the Tuesday and Wednesday night messages, many found freedom from the spirit of bitterness and unforgiveness as well as from bondages to lust and other temptations.

Youth camp was not only for students as a senior adult woman came out to hear Charlie preach and let him know how God had used him years ago in a church wide revival to expose her bitter heart. The result was her yielded heart, forgiveness and personal revival!

need to hear more of these messages and be challenged to live by Biblical standards.

Thanks for your ministry to us. As God allows, we would love for you to return. May God richly bless Crosspurpose International. We will be praying for you.

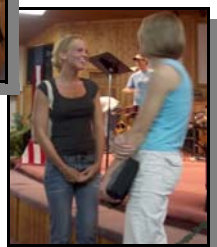

Because of the Cross, Bill Schakat

After the Wednesday night service, one of our adult counselors led a 15 year old girl to Christ. Her countenance was beaming with the joy of the Lord! Also on Wednesday night, two other teens specifically sought me out for prayer

and counseling after the message. These are precious moments that God gives to minister to teens. I have had many teens tell me God was speaking to them through the ministry of the Word. I know the messages each night were from the Lord and I'm excited to see the fruit that will come about because of this great week at camp.

I want to thank you for your honesty, transparency, and sensitivity to God's Spirit as He directed you each night. Also I'm thankful for the doctrinally pure and rich sermons. You never compromised the message. Our teens
