Dear Friends and Ministry Partners,

The *Annual Smokey Mountain Men's Conference* in Newport, Tennessee just concluded and was a spiritual help to many men who attended. This yearly conference is an extension of the burden the Lord gave Pastor Earl Sammons in 1991, to provide a Bible conference exclusively for pastors and laymen to meet with God. There were men from North Carolina, Ohio, Kentucky, and Tennessee who attended.

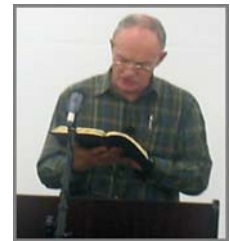

Guest speakers, Charlie Orr and Harold Peasley of Multi Ministries, Johannesburg, South Africa, addressed issues of faith, obedience, family, adversity, and soul-winning.

Testimonies of victory and encouragement were enthusiastically shared by those

who were affected by the messages. The receptivity and response from the men was awesome this year!

Please continue to keep Crosspurpose International in your prayers that God will use this ministry in the lives of those it touches. Thank you for your continued support to this ministry. God bless you!
