

## Ministry Update May 2007

Dear Friends and Ministry Partners,

Thank you for your continued prayers and ministry support as we head into the summer months of 2007. Crosspurpose International was hosted in various churches throughout Ohio, Kentucky, Georgia and South Carolina. Charlie was also the guest conference speaker at Southland Bible Institute in Ashland, Kentucky this year.

The *Annual Camp Meeting* hosted by Calvary Baptist Church in Rockhill, SC with Senior Pastor Tom Tucker wrapped up the spring schedule for *CI*. Charlie was one of three guest speakers invited to preach during 4 days of services. (If you would like to view Charlie's last message during the meeting, *The Normal Christian Life*, you can watch it by streaming video on the home page of our website at [www.purpose4u.com](http://www.purpose4u.com).)

Will Graham, evangelist and assistant director of the Billy Graham Training Center and Mike Whitson, Senior Pastor of First Baptist Church, Indian Trail, SC, preached on Sunday morning and evening respectively, while Charlie preached Monday through Wednesday evenings for the event. Paula was also a guest soloist during the last night of the meeting.

Calvary Baptist Church is a vibrant church with an open and responsive heart to the preaching of the Word by these men. Charlie's messages included *Forgiveness* and *How to Live the Normal Christian Life* during his three day series. Through these expository messages, many people responded to the Lord's promptings in their personal lives, while others were deeply encouraged in their Christian walk. Charlie and Paula were blessed by the receptivity of the church as well as by the graciousness of their long-time friends, Pastor Tom and his wife, Brenda Tucker.

Please pray for our family and ministry that God would do His will in our lives and use us for His glory.

*For I know the plans I have for you, says the Lord, plans for good and not for evil, to give you a future and a hope. Jer. 29:11*

God bless you!

*Charlie and Paula*
